

AgSafe®

# Generic Aquatic Tablets

## Pond Plant Food

## Monthly Feeding

### Monthly feeding of waterlilies, flowering, and non-flowering pond plants.

#### Suggested Application:

For best results, apply one (1) pond tablet for every gallon of plant soil during growing season. Easy-to-use, insert one (1) tablet into aquatic soil about 2-3" away from plant crown and about 3-4" deep. Press aquatic soil around the inserted tablet to prevent fertilizer from being released into the water. Feed Lilies and Lotus monthly, and feed Marginals every 6 weeks. Repeat feeding until pond water temperatures begin to drop at the end of the season.

*Note – Some plant species like Lotus, Iris, and other heavy eaters – may require more pond tablets during feeding. As with any fertilizer, it is best to test the product to establish the appropriate number of pond tablets for feeding various types of plant species.*

### 10-26-10 with Micronutrients

Guaranteed Analysis	By Wt
TOTAL NITROGEN (N)	10.00%
5.2% Ammoniacal Nitrogen	
0.6% Urea Nitrogen	
2.0% Water Soluble Organic Nitrogen*	
2.2% Water Insoluble Nitrogen	
AVAILABLE PHOSPHATE (P <sub>2</sub> O <sub>5</sub> )	26.00%
SOLUBLE POTASH (K <sub>2</sub> O)	10.00%
Magnesium (Mg), Total	0.50%
0.0% Water Soluble Magnesium (Mg)	
Sulfur (S), Combined	4.00%
Boron (B)	0.02%
Iron (Fe), Soluble	0.50%
Manganese (Mn), Soluble	0.05%
Zinc (Zn), Soluble	0.05%

Derived from: Ammonium Phosphate, Methylene Ureas, Urea, Potassium Sulfate, Magnesium Oxide, Sodium Borate, Ferrous Sulfate, Manganese Sulfate, and Zinc Sulfate. \*Contains 1.8% slowly available methylenediurea and dimethylenetriurea nitrogen (N). Information regarding the contents and levels of metals in this product is available at the website <http://agr.wa.gov>

#### ALSO CONTAINS NON-PLANT FOOD INGREDIENTS:

##### SOIL/PLANT AMENDING INGREDIENTS

INERT INGREDIENTS 100.00%

94.8% Fertilizer

5.0% Humus (2.0% Humic Acids) derived from Humic Shale.

0.1% Sea Kelp Extracts derived from A. Nodosum.

0.1% Yucca Extracts derived from Y. Schidigera.

*Disclaimer – Generics have the same fertilizer ingredients and same tablet size, same tablet characteristics, and same general tablet performance as name brands. Same does not mean exactness. Tablets may contain different binders and fillers that will not affect performance. Additional 'Non-Plant Food Ingredients' provide more benefits for proper plant growth and development. DO NOT USE IN RIVERS AND FREE-FLOWING WATERWAYS.*

**GROWER BOX – NOT FOR RESALE**

**CAUTION: KEEP AWAY FROM CHILDREN & PETS. STORE IN COOL DRY PLACE. WASH HANDS & SEAL BAG AFTER USE.**
